DINING-CHAIR EXPRESSION.

Did you ever stop to think about the expression of chairs? Some call out, "Now, do be seated," whenever you look at them. Others are so forbidding that you shun

them instinctively. Dining chairs, for instance, can be as expressive of Thanksgiving hospitality as Thanksgiving dinner itself. It is no enough that they are comfortable and

strong, they must look so. A glance at our dining chairs will show what we mean. Most of them follow old styles - German, Flemish, Colonial - but no antiques ever had the welcoming air of these. All antiques echo more or less the character of the mediæval knight-in-arms, who despised comfort as much as he ad mired strength.

Our reproductions express the same idea of solidity, and, after inclining the backs a trifle more, making the seats a trifle deeper, getting the legs exactly the right height-we have made them express case just as strongly.

The seats—quaint tapestries, stamped

leather or rush. "BUY OF THE MAKER" GEO. C.FLINT CO.

MACY'S

FORTIETH ANNUAL EXHIBITION of TOYS, DOLLS, FANCY GOODS, BOOKS, JEWELRY, DIAMONDS and OTHER CHRISTMAS PRESENTS, uneful and ornamental, suitable for the purposes and suited to the purses of the million and of the millionaire. ALWAYS AT PRICES FROM 25 TO 80 PER CENT. LESS THAN ELSEWHERE.

THE TOYS INCLUDE EVERYTHING from the rubber doll which appeals to the wondering eyes of the baby up to the MECHANICAL MARVELS which stir even the languid interest of the precoclous children who are with us and of us to-

day, but who seem to be TWENTIETH CENTURY YOUNGSTERS at that. We were never before so well equipped with such a MAGNIFICENT AS-SORTMENT, with such FACILITIES FOR SATISFACTORY SERVICE and such

PHENOMENALLY LOW PRICES. WE ARE PROUD of these things and prouder still of the record of satisfaction made in our two-score years of business life. This record is indicated daily by shopping groups here representing THREE GENERATIONS, grandmother, mother and children; all of whom have in turn been MADE HAPPY AT CHRISTMAS

TIDE by MACY'S. A SECRET DISCLOSED.

READ IT .- Nearly every dressmaker in the City will say, if asked, and often say it unasked, "Don't buy goods at Macy's." WHY? They do not say, but we will tell you. The other houses give discounts to dressmakers. You buy the material and it is taken to be made up. Before it is touched with the scissors the dressmaker claims a commission from the store where it was bought because you are "her" customer. This commission adds to her profit. You get no allowance on account of it.

COACHMEN tell the same story. SHOPPING AGENTS do not buy here because they cannot make an extra

But that is not all. If you could get the discount for yourself you would still pay higher prices than ours. The other houses charge prices from 25 to 50 per cent. more than ours, and even with the discount to favored customers of 10 per cent. their net figures are much higher. We give all of these advantages to the gena eral customer. We do not give discounts or commissions to clergymen, dressmakers, coachmen, etc., or credit to anybody. These are two of the chief reasons WHY our prices are ALWAYS THE LOWEST.

We have MORE SECRETS of this nature TO TELL. WATCH OUT FOR THEM.

MEN'S SHIRTS.

Main Store and Annex. SHIRTS, made in our own factory, un-laundered, Utica nonparell muslin, 8 ply, 2,100 thread LINEN bosoms, all HAND MADE BUTTON AND EYELET HOLES, in fit and workmanship equal to custom made.

We have manufactured and sold this standard shirt for 20 years. Over a million of them have been worn by our satisfied ous tomers. This is a plain statement of a phe nomenal fact. It simply illustrates the nature of the values we give. We keep a full line of other kinds of shirts, but this is our shirt attraction par excellence, unapproached and unapproachable. All our regular customers know this shirt and

FEATHERS.

OSTRICH FEATHERS are the rage. We were quick to observe that they were to be very much in vogue, and we did what no other retail house has done. We established an ostrich feather factory of our own on the premises here. We are thus enabled to retail ostrich feathers at the price other houses have to pay for them. This means a SPECIAL SALE OF OSTRICH FEATER ERS EVERY DAY.

FINE CHINA AND GLASS.

We not only have GREAT FACTORIES OF OUR OWN in all the districts that furnish the world's supply in these lines, but we are also the LARGEST BUYERS in the general markets. LOWEST PRICES, exclusive deknow that it is better than any Dollar shirt signs, and all other advantages are thus in anywhere.
